MOTION

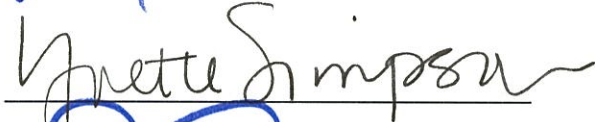

March 30, 2016

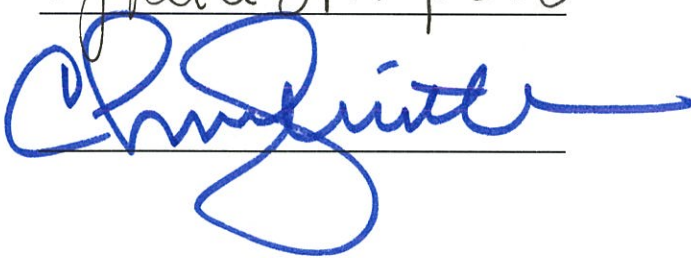

We MOVE that the Administration ban all non-essential city-funded or city-sponsored travel to the State of North Carolina until the repeal of HB 2.

We FURTHER MOVE that the Administration work to identify North Carolina businesses opposed to the legislation who should be pursued by the Department of Community & Economic Development for possible relocation to Cincinnati.

STATEMENT

As the North Carolina Legislature passed and the Governor signed one of the most anti-lgbt laws in the nation Cincinnati taxpayer dollars should not go to support the oppressive government and discriminatory laws of North Carolina. As more and more companies consider leaving North Carolina, the City Administration should reach out to those who would consider making Cincinnati their new home.
